## QUALITY AFFORDABLE HOUSING

3r Real Estate is a multifaceted real estate company involved in the development of commercial, retail, market rate and affordable apartment communities. With offices throughout the United States, 3r Real Estate has become a leader in the use of creative financing for both development and acquisitions, and is positioned to become one of the nations premier developers.

Our mission is to create and preserve quality, affordable housing for working people and the elderly, throughout the United States.
